## **DETAY ÇİKOLATA,**

*was incorporated in 2008 as a part of Altınmarka Group Company. It produces private label products of the leading brands in Turkey and the world in the five different production locations such as Esenyurt, Çorlu, Çatalca, Veliefendi, and Kemerburgaz. It is one of Turkey's largest chocolate producers with annual production capacity of more than 100,000 tons from wafers to chocolate and from sugar to dragee.*

*Moreover, Detay Çikolata produces crispy and decoration products for use in chocolate, confectionery, biscuits, cake, ice cream and desserts for professional and industrial use. Crispy products are produced with high-tech extrusion technology in fully automated high capacity lines in accordance with international quality standards and offered as raw or chocolate coated. In addition, our range of high-quality decoration products such as vermicelli, chocolate shavings, chocolate coated hazelnuts, almonds, peanuts, and various fruits are offered in many different sizes and practical packaging alternatives.*

.....

## **YOU IMAGINE WE PRODUCE**

*For all crispy and decoration products, we have the ability and flexibility to offer new products in desired size, shape, color and flavor alternatives according to the demands of our customers thanks to our state-of-the-art production facilities and our expert R&D team. You may add extra texture and flavor to chocolate, dessert, ice cream, and cakes while giving an impressive visual quality with these distinctive and high-quality decoration products.*
