BALIN

“A Sweet Tradition”

Balin was founded in İstanbul in 1967. Its long-established history offers you special gifts during visits to family and friends, and anywhere nice conversations take place for years.

Balin brand joined Detay Gıda in 2012 and corporate identity has renewed.

Legendary Balin brands are moving forward with confidence, under the roof of Detay Gıda, with newly developed products.

Detay Gıda was incorporated in 2008 as a fully owned subsidiary of the Altınmarka Group.

Our plants are located at three different areas which are that just outside of İstanbul and are high-tech, state-of-the-art production facilities serving the bakery, confectionary, wafer, chocolate and ice cream market with an annual capacity of ***more than 100,000 tones.***

With the foundation of Detay, the Altınmarka Group has completed the vertical integration of all its cocoa and chocolate production processes allowing us to guarantee our clients top quality and maximum efficiency at every single step of the manufacturing process from cocoa bean to finest chocolate products.

Today, we are exporting ***more than 25 countries.***
